## **Abhinav Education Society's Institute of Management And Research (MBA & MCA)**

Abhinav Education Society's Institute of Management And Research has set precedence with its excellent academic track record and unique teaching learning process. It was established in the year 2007 with the MBA Program and in 2008 with MCA Program.

### **Highlights**

- All the courses are affiliated to Savitribai Phule Pune University and MBA & MCA Programs are approved by AICTE, New Delhi.
- We have excellent infrastructure facilities, which are on par with best of B-Schools in India & abroad.
- We have full time, highly qualified and experienced faculty members who are experts in different disciplines of Management and Computer studies.
- The academic performance of all batches of MBA so far has been exemplary with our students inevitably topping the Merit List of Savitribai Phule Pune University.
- Our Library houses more than 5000 books and journals and periodicals. The Library facility is available to the students for all days.

### **Affiliation**

Affiliated to Savitribai Phule Pune University, Ganesh Khind, Pune – 411007

### **Teaching Learning Process**

Our approach to instruction is innovative and comprises a blend of lectures and interactive sessions in which case studies, simulations, management games and real life business situations are analysed and interpreted. Each method is oriented towards achieving the objective of the course and to develop our students as fit product for the industry. The objectives and goals of each programme are as follows:

- To encourage students to analyse, interpret and evaluate business problems/ situations. To provide basic analytical tools required by managers, including fundamental concepts and principles from various functional areas.
- To develop skills in using these tools in an imaginative, problem solving capacity.
- To create the ability to make and carry out decisions.
- To develop basis for dealing effectively with others, both in written and oral communications.
- To encourage continuous learning from experience.

## Message from Director

It's my proud privilege to welcome you to Abhinav Education Society's Institute of Management & Research (AESIMR), Narhe, Pune .

The world is full of possibilities & in this era of competitive environment, opportunities for good career are abundant. Every individual has the potential to become an achiever.

AESIMR believes in unlocking the hidden potential, which enable young minds to ascend higher & higher to reach the Pinnacle of success in the corporate world. When you choose AESIMR, you become part of a long & rich tradition of academic excellence, discovery & innovation, entrepreneurship & creative expression. Besides nurturing management skills, a wholesome development of student managers being provided in our institute is a step towards empowering them to face challenges that lie ahead in competitive globalized world.

Our Placement Cell has been the pillar of support for our MCA and MBA students, tirelessly working towards bridging the gap between academia and industry. It has been instrumental in providing our students with exceptional career opportunities and ensuring their successful transition into the professional world. Today, I want to take a moment to appreciate and acknowledge the hard work and dedication of our Placement Cell team, particularly in catering to the unique needs of our MCA and MBA students.

I encourage you to not only strive for personal growth and success but also to be agents of positive change. As future leaders and innovators, it is your responsibility to make a difference in the organizations you join and the communities you serve. Embrace ethical practices, foster inclusivity, and contribute towards the sustainable development of society.

Once again, congratulations to our Placement Cell and our MCA and MBA students. May your future be filled with endless possibilities and remarkable achievements.

Thank you

***Dr. Abhijeet Kaiwade***

***Director, AESIMR***

## **HOD MCA Department**

Dear Students and Recruiters,

I am delighted to welcome you to the Placement Brochure of the MCA Department at AESIMR. As the Head of the MCA Department, it gives me immense pleasure to showcase the exceptional talent and potential of our students.

Our MCA program at AESIMR is designed to groom students into competent professionals who can excel in the dynamic and ever-evolving IT industry. We emphasize a holistic approach to education, blending theoretical knowledge with practical application, industry exposure, and skill development. Our aim is to nurture well-rounded individuals who are not only equipped with technical expertise but also possess strong problem-solving abilities, effective communication skills, and a passion for innovation.

Through our rigorous curriculum, dedicated faculty, and state-of-the-art infrastructure, we provide students with a solid foundation in areas such as programming, database management, software engineering, networking, and more. We encourage students to explore emerging technologies, participate in industry collaborations, and engage in research and development activities that align with industry requirements.

The Placement Cell of the MCA Department at AESIMR works tirelessly to ensure that our students are well-prepared for successful careers. We have forged strong relationships with leading IT companies, both national and international, to provide our students with excellent placement opportunities. Our alumni network, with its wide reach and industry connections, plays a significant role in facilitating placements and providing valuable guidance to our students.

To our students, I urge you to make the most of the opportunities presented to you. Take advantage of the career counseling services, skill development programs, and industry interactions provided by the Placement Cell. Equip yourselves with the necessary skills, knowledge, and confidence to shine during the recruitment process.

I extend my heartfelt gratitude to the recruiters who have shown interest in our students. Your belief in AESIMR and your commitment to nurturing talent is deeply appreciated. I assure you

that our students will bring enthusiasm, dedication, and expertise to your organizations, contributing significantly to your success.

I invite you all to join hands with us in shaping a brighter future for our students. Let us work together to bridge the gap between academia and industry, empowering our students to become successful professionals who can make a positive impact on the IT landscape.

Warm regards,

***Prof. Suraj A. Hingane***

### **HOD MBA Department**

Welcome to MBA Department of AESIMR , Pune The Department seeks to combine excellence in education with service to the industry. Our vision is to be recognized as innovative and leading Department. Our goal is to provide students with a balance of intellectual and practical experiences that enable them to serve a variety of societal needs.

Students are nurtured to become best software professionals or become Entrepreneurs in their own innovative way. I am sure in times to come many students from our department will make incredible mark nationally and internationally. The expertise of faculties is broad. We hold firm belief in our ability to succeed, practice human values, and show attitude of self-reliance, confidence and commitment.

I am sure that the students of the department will show a high level of professional competence in their respective areas. I wish my students all the best for all their endeavors .

Thank You,

***Dr. Neeta Bendre***

## Training and Placement Officer

Dear Students and Recruiters,  
Greetings!

It gives me great pleasure to welcome you to our Training and Placement Cell. As the Training and Placement Officer, I am honored to be part of this incredible journey of connecting talent with opportunity.

At our institution, we firmly believe in empowering our students with not just knowledge, but also the skills and experiences that will make them industry-ready professionals. Our Training and Placement Cell plays a pivotal role in ensuring that our students have the best possible opportunities to shine in their chosen careers.

To our students, I want to emphasize that we are committed to providing you with a holistic and comprehensive approach to career development. Our cell offers a wide array of training programs, workshops, and seminars that focus not only on technical skills but also on soft skills, interpersonal skills, and personality development. We believe that true success comes from a well-rounded set of abilities and qualities, and we strive to nurture these in each and every one of our students.

To our esteemed recruiters, I want to assure you that our institution is dedicated to producing industry-ready professionals who are equipped to meet the challenges of today's dynamic business world. We understand your need for talented individuals who possess not only the necessary technical skills but also the ability to communicate effectively, work in teams, and adapt to changing circumstances. Our Training and Placement Cell takes pride in preparing our students to excel in these areas and ensures that they are ready to make a positive impact in your organizations from day one.

To both students and recruiters, I invite you to explore the many opportunities available through our Training and Placement Cell. Whether you are a student seeking internships or job placements, or a recruiter looking for talented individuals, our cell is here to guide and support you throughout the process. We have a strong network of industry connections, a dedicated team of professionals, and a track record of successful placements.

I am excited about the possibilities that lie ahead and look forward to working with all of you to create a prosperous future for our students and organizations alike.

Warm regards,

***Prof. Sonali Gaikwad***
