Subject: Regarding MBA Specialization Options

Respected Authority,

We, Abhinav Education Society's Institute of Management and Research, Narhe, Pune -41, want to request regarding specialisation. As a management institute, we feel that the duration of the exam gets stretched because of the various specializations under one domain of management and that too for an MBA.

This specialization leads to delays in exams as it has separate days to conduct various specialization exams. So, would like to request you please manage the specialization exams irrespective of domain on the same day as per the code. It will lead to saving our time, and we can also manage to get our results on time without delay.

Thanks & Regards,

Subject: Regarding MCA curriculum duration .

Respected Authority,

We, Abhinav Education Society's Institute of Management and Research, Narhe, Pune -41, want to request regarding MCA Curriculum. As a management institute, we feel that the duration of the MCA gets stretched because of the various subjects included in the syllabus which makes it 3 years.

This 3 Year MCA leads to delays in result to get the degree and placement. So, please manage all 3 years subjects in 2 years and make it as simple as other management programs. It will save our time, and we can also manage to get our results on time and placement too.

Thanks & Regards,
